## To the Public.

Several years ago I began the study and treatment of Chronic Diseases and Minor Surgery. This class of work has increased until I can no longer do justice to it and my general practice. Therefore, since March 10, I have answered no calls out of my office, except those for consultation. I will treat all cases that come to my office, or those that I can treat from my office.

I will meet any reputable physician in consultation anywhere.

My office hours are now from 8 to 11:30 a. m. and 1:30 to 4:30 p. m.

Evening and Sundays by appointment only.

Respectfully,  
Albert B. Stone, M. D.
